

Stewardship Message Stewardship

"...your abundance at the present time should supply their needs..." - 2 Corinthians 8:14

Economic crisis can teach us many valuable stewardship lessons. We are quickly realizing that as individuals and as a society we really did not need everything that we wanted. We are also learning to count our blessings and to see that we have been abundantly blessed by God. And, hopefully, we are becoming more willing to share our gifts with those who truly are in need.

This Week's Stewardship of Time and Talent Salute

We salute everyone who made an effort to attend our Mission this past week. We know taking time for God during the summer months takes an extra effort.

"Everyday-Everyway Stewards"

Let us pray that we may recognize God's abundant blessings to us and understand that we are blessed so that we can share.

"Our Children's Stewardship"

Use some of these questions at dinner time to help get the conversation headed in the right direction.

How does our church use the money we give? Do any of these uses surprise you?

What does it mean to have "treasure in heaven"?

How does our pastor spend his? What sorts of things do pastors do?
